

Partnership for Aging of Palm Beach County Community Grant Application

Program Overview:

The Palm Beach County Partnership for Aging (PFA) makes available a limited number of one-time grants to community organizations that enhance the lives of seniors in Palm Beach County.

Applications are received in February and March for a grant of up to \$1,000 to fund small projects or to be used towards a larger endeavor. Disbursements are made between June and September of the following year. Eligible organizations may re-apply annually.

Eligibility:

1. Grants are limited to registered non-profit and governmental organizations serving Palm Beach County seniors.
2. 100% of the grant funds must directly impact seniors. Examples include: temporary cash assistance or to assist with the purchase of services or supplies.
3. It is expected that grants will be used within one year of receipt. Grantees are asked to report their outcomes to PFA after one year has transpired.
4. No part of the award may be used to cover administrative costs – such as employees' salaries -- or other expenses unrelated to direct services to seniors.

Application Process:

Please complete the application below by March 31 and return to the PFA (regular mail or email is acceptable). You may include any literature or other material you feel will aid in the selection process.
